

**IF YOU HAVE A FEW HOURS TO SPARE EACH WEEK
BISHOPSTEIGNTON CARE WATCH WOULD LOVE TO HEAR FROM YOU!**

My time as Coordinator of this amazing Group is nearing the end and I am busy preparing to hand over to a fantastic new Team as follows:

Position vacant	– Team Coordinator
Sylvie Lockhart	– Deputy Team Coordinator & Phone Coordinator
Joyce Brown	– Volunteers' Coordinator
Ann Dent	– Befrienders' Coordinator
Dawn Rogers	– Admin Support
Ali Ford	– Admin Support

As you can see, we just need one more person to come forward, male or female, to complete the line-up. We now have six male drivers and four male befrienders, so it would be fabulous to have a male member on the new Team if any men out there are interested!

The purpose of Care Watch is to provide appropriate and adequate support for residents of any age who have a genuine short or long-term need. The Team Coordinator will work with and alongside the rest of the Team to ensure that this happens, providing moral support and encouragement when necessary, and meeting to discuss any ideas or concerns.

They will also attend Healthy Living Group meetings (currently held 4 or 5 times a year) to keep the two Groups up to date with each other's progress; they will write brief articles for the Chronicle as and when, process Client donations, and publicise Care Watch as necessary with the help of our two admin gurus, Dawn and Ali.

This is an exciting time for Care Watch with a new Team taking over and bringing fresh ideas to the table, so if you think you might like to join them, I'd be delighted to hear from you. Many, many thanks.
